ATHLETIC DIRECTOR MEETING MINUTES, THURSDAY, MARCH 17, 2016

	IV.	Minutes of the previous SAC meeting	<p><i>Motion to recommend that the NBL representatives to the NCS BOM vote to approve the minutes of the January 22, 2016 meeting.</i></p> <p><i>Motion approved by consent</i></p>
	VI.	Financial Items	
	A.	<p>March Balance Sheet; Attachments A and B will be provided at the meeting. The March Balance Sheet (Attachment A) is provided in order to continually share the financial status of NCS, CIF. Questions may be addressed to the section staff at the meeting. This document is shared as information only. All monthly balance sheets are posted on the NCS website under "Finance". Attachment B is an eight-year comparison of various points during the year in order to give a better picture of how one year compares to another.</p>	
	B.	<p>Fall-Winter Championship Report</p> <p>Report on the Income, Expense and other possible information concerning the NCS Fall and Winter Championships (Attachment C)</p>	
	C.	<p>2016-2017 Proposed Budget, Attachment D & E</p> <p><i>Motion to recommend that the NBL representatives to the NCS BOM be uninstructed on this item so that they may listen to the explanations and recommendations and vote in the best interest of the NBL and NCS.</i></p> <p><i>Motion supported by consent.</i></p> <p>The BOM will review the budget recommendations by the Executive Committee for the 2016-2017 school year. Attachment D (budget notes) and E (three pages—Income, Expense and Sports Income/Expense—big paper will be provided at the meeting for easier reading.</p> <p style="text-align: center;">BUDGET NOTES</p> <p>The Executive Committee is seeking support of the proposed 2016-2017 budget, a balanced budget. The estimated numbers reflect a current budget year that is only 1/3 complete, making the budget process more challenging this year. The proposed budget reflects the following changes from the 2016-2017 school year.</p> <p>INCOME ANALYSIS</p> <ol style="list-style-type: none"> 1. Line 3 reflects the building fund balance as approved at the January 22, 2016 Board of Managers less the PERS retirement liability. The number will be adjusted in fall based on the conclusion of the 2015-2016 audit. The amount is mirrored under Expenses, Line 56. 2. The budget draft includes 100% of the normal dues collected from each NCS member school with a 3% increase in dues from the 2015-16 school year plus a \$25 per school for inclusion of CIF Home, a database system used by six other sections, which will allow schools to process eligibility electronically and provide many tools that can be incorporated with the new NCS website that will be completed for the 2016-2017 school year. (Income: line 4) 3. Championship income is projected to be over 1.4 million, approximately the three-year average (Income: line 5), but below the projections for the 2015-2016 school year. Ticket prices will remain the same but schools will need to provide their own gate tickets in most sports where competition is hosted at home site. Entry fees will remain the same, increased for the 2015-2016 school year. Cross country will have a team entry fee of \$100, which was not increased during the 2015-2016 school year. 4. Sales, Marketing & Promotion reflects the current sponsorship contracts which will also be in force during the 2016-17 school year. The NFHS Network agreement continues to increase with the total broadcast agreement bringing the Section over \$48,000 dollars in rights fees. Marketing income continues to be a bright spot for the Section with the projected income at the highest amount in section history. 5. CIF Marketing reflects increase of new agreements with the Marines, Subway and TruMoo (NCS sponsor but arranged by the CIF). The CIF continues to work to attract new sponsors and the Section is hopeful that a new Presenting sponsor will be secured but any projected funds are based on actual current contracts that will be in effect for the 2016-2017 school year. 6. Remaining budget income numbers reflect similar numbers to the 2015-2016 school year with the 	

exception of Line 13, Miscellaneous, which is more reflective of actual income based on the three-year average.

EXPENSES

1. Salaries (Expenses: Line 3) reflect the following:
 - a. Adjusted salaries based on the current salary scale with step increases and reflects the retirement of one employee and hiring of a replacement employee.
 - b. Proposed adjustment in the salary of the Commissioner of Athletics, discussed at the March 2015 Executive Committee meeting. The NCS Commissioner of Athletics salary has fallen below the average for CIF Section Commissioners in similar sections (San Diego, Central Coast, Los Angeles and Sac-Joaquin Sections). The Executive Committee is recommending that the current salary be established as 105% of the average 10-base school district principal's salaries, adjusted for 240 days. The result is a yearly measurable method for calculating the commissioner's salary more in line with salaries of other Section Commissioners of similar size. Attached to the budget notes is the average assistant superintendent salaries (mentioned during last year's budget discussion at the Executive Committee meeting, principal salaries and comparable section commissioner salaries.
 - c. Since the 2015-2016 salary survey is not complete approximately 2.8% has been set aside in lines 54 and 55 for any 2016-2017 salary adjustments from the 2015-2016 salary survey.
 - d. Line 15 provides funds for the hiring a temporary employee to oversee fall championships in preparation for a leave of absence by the NCS Assistant Commissioner.
2. Salary Benefits (Expenses: Line 16) reflects benefits offered over the past 20 years, increases in health care costs, includes conversion to TCSIG and compliance with all state and federal laws. Retiree benefits (Line 22) covers the lifetime benefits for 4.75 employees. Health costs may increase with the addition of an anticipated new employee to replace the retirement of Sandy Lemmon. As reviewed in April of last year PERS has now broken down contributions into two categories, rather than one overall percentage. For the 2016-2017 school year NCS is required to pay a Contribution Rate of 9.7% and a Monthly Employer Dollar Payment of \$88,883, although NCS will save approximately \$3,000 paying the Monthly Employer Dollar Payment in a lump sum prepayment.
3. Section Championship expenses (line 24) reflects estimated expenses for the conduct of NCS Championships and costs of facility rentals, event security, management compensation, team transportation, awards and officials' fees, adjusted based on the history of the championship expenses. Expenses are slightly less based on reduction of ticket costs and actual expense numbers from the 2015 fall championships.
4. Office operations remain projected at \$50,000 (Line 25) and meeting expenses will decrease slightly due to the federal mileage rate decreasing from the current \$0.57 to \$0.54 per mile for reimbursement. Meeting expenses (line 28) reflect one to two individuals to attend national conferences and agreement to continue the Board of Managers meetings at the Mira Vista Golf and Country Club.
5. Crow Canyon Property (Line 29) reflects the current mortgage. In January 2016 the Section will have the option of paying off the loan, currently at \$298,000. Paying the loan off saves the section \$21,000 a year, far more than the Section collects in interest. The Section pays no county property taxes on the building.
6. Building Maintenance, line 30, set for \$5,000 allows funds for emergency repairs. Major building repairs can be addressed by the current building fund balance, if necessary.
7. Line 39 provides \$30,000 for partial CSADA reimbursement for the 2017 conference in Reno, NV.
8. Line 43 includes the expense of the new database and information system that will allow the use of many useful tools for NCS member schools to view all eligibility, have control at their school who is allowed to use the system, allows multiple users at a school, up to 10, will make the eligibility waiver transfer process totally electronic, create championship forms that will populate themselves with school information and MaxPreps schedules and results and fully integrates with the new NCS website, a total cost of \$20,700, the vast majority of the funds provided by income generated by NCS. Other sections using CIF Home stated:
 - Southern Section: CIF Home has completely revolutionized the way we do business and may be the most significant change the Southern Section has ever made in an effort to move our section forward. Since the implementation of the system four years ago the section has never had one person say they would like to go back to the way the section operated prior to CIF Home.
 - Central Coast Section: CIF Home has been a paperwork God send for CCS. No more hard copies, no more fax, no paperwork errors. It allows for ADs to upload when ready and has an email communication piece which has helped us send reminders, etc. Great tool!
 - Los Angeles Section: CIF Home has been the answer to many communication and procedure issues, but also a work in progress as the Section just started using the system this year. (LAS started the use of the system in August 2015 for the 2015-2016 school year.)Line 45 includes NCS website maintenance at a cost of \$3,000 and continued funds to promote positive stories by NCS member schools and student-athletes, referred to as "The Scoop".

SPORTS INCOME/EXPENSE ANALYSIS

		<ol style="list-style-type: none"> 1. Income for Sports Income (Sports Income: lines 4-18) reflect the following: <ol style="list-style-type: none"> a. Maintain the current ticket structure, \$10 for adults and \$5 for senior citizens and children. b. Projected gate income. c. Collection of entry fees increased during the 2015-2016 school year. 2. Expenses for each sport (Sports Expense: lines 21 – 35) reflect Section Championship expenses for the conduct of NCS Championships and costs of

	C. 2015-2016 Targets	
		Update on progress of the 2015-2016 targets
		<ol style="list-style-type: none"> 1) Continue emphasize the promotion of outstanding sportsmanship, including but not limited to greater communication between the NCS Office concerning alleged offending schools concerning sportsmanship guidelines and possible referral of infractions to the Sportsmanship Committee for consideration of corrective action as well as encouraging schools and league to institute sportsmanship programs of their choosing similar to "Battle of the Fans" or awarding of a league sportsmanship award. Letter sent from the Commissioner to Superintendents, Principals and Athletic Directors as well as ongoing communication between the NCS Office and member schools concerning infractions. The NCS Office (Harry Schrauth and Karen Smith) monitor ejections and communicate with schools regarding ejections and required completion of the NFHS Sportsmanship Course. Sportsmanship Committee has recommended new criteria for the Elmer Brown Award of Excellence and Commissioner Lemmon has suggested new language to put more checks and balances into severe violations of the Board of Managers Sportsmanship Policy. 2) Work to reduce the number of overall ejections of coaches and student-athletes in all sports. Ejections are down for the school year. 3) Use the NCS Newsletter to promote better and more complete practices concerning processing of eligibility by member schools. No progress to date. 4) Encourage the participation of member schools in the NFHS Network School Broadcast Program. Work in progress. Letter sent to Superintendents, Principal and Athletic Directors. The NFHS Network is

		<p><i>meeting with individual schools. Commissioner Lemmon and NFHS Network personnel met with one league. During the fall championships there was a significant increase in the coverage of football games. For CIF Nor-Cal Basketball Championships the NCS Office assisted schools with the costs of broadcasting games on the NFHS Network with permission granted by the CIF State Office. The coverage in the NCS Championship finals has been outstanding. The Commissioner has had to take on greater responsibility for the broadcast of games and selection show, but views the partnership as the best thing that has happened with the Section concerning broadcast rights. The challenge is implementation at the school site and the additional responsibility for ADs who's time is limited and already stretched thin.</i></p> <p>5) Revise the NCS website. Work in progress. The site will go live July 1, 2016, if not earlier.</p> <p>6) Continue to support the professional growth opportunities for athletic directors and athletic administrators. Section has already providing \$41,000 in reimbursement and an email has been sent to all NCS Athletic Directors to announce reimbursement for the State CSADA Conference.</p> <p>7) Redefine the make-up of the NCS Finance Committee and establish a working committee that provides input and guidance to the Executive Committee. Completed! NCS staff is still seeking one more person</p>																												
	D.	Update on CIF Reauthorization																												
		An update will be provided on the progress of CIF reauthorization. As of the posting of this agenda, over 92% of NCS member schools have forwarded letters to the California Education Committee supporting reauthorization.																												
	VIII.	Closed Session																												
	A.	As of the printing and posting of this agenda there is no scheduled Closed Session. If it is necessary to add an item, the additional item will be added according to the Brown Act and all parties notified.

	B.	Additional Playable Date for Girls' Volleyball																												
		<i>Motion to recommend that the NBL representatives to the NCS BOM vote to support the additional playoff date for girls' volleyball. Motion approved by Proposal to adjust the 3-year calendar in girls' volleyball, adding Tuesday as an additional playable date in the first round. Divisions 1, 3, 5 will play on Tuesday and Division 2, 4, 6 will play on Wednesday. Rationale: There has been a trend in the last three years where our volleyball official's associations are getting closer and closer to be unable to provide 4 officials for each volleyball match in the first round. Adding an additional date in the first round will address this concern.</i>

	C.	Competitive Divisions (Attachment H)																												
		<i>Motion to recommend that the NBL representatives to the NCS BOM vote to support the establishment of Competitive Divisions in the sports of football, girls' volleyball, water polo, basketball, baseball, softball and lacrosse, requiring teams that accumulate a specific number of points over an established time period to move up one division.</i>																												

		<p><i>Motion: Jerry Deakins, Maria Carrillo</i> <i>Second: Kenny Knowlton, Santa Rosa</i> <i>Motion supported unanimously</i></p> <p><u>Proposal</u> Starting with the 2016-2017 school year implement competition divisions based on competitive equity in the sports of girls' volleyball, football, water polo, basketball, baseball, softball and lacrosse. The following are the parameters to be used in development of divisions based on competitive equity:</p> <ol style="list-style-type: none"> 1. Competitive equity adjustments will be based on the most recent three-year period of competition in the NCS Championships. Competitive equity adjustments for the 2016-2017 school year will include the 2013-2014, 2014-2015 and 2015-16 school years. <ol style="list-style-type: none"> a. In subsequent years a new year is added and the oldest year of competitive data is removed 2. Any team averaging 8.0 or higher during the three-year period of competition in the NCS Championships using the following scale would be required to move to the next higher division. <ol style="list-style-type: none"> a. 15 points for winning a section championship b. 10 points for playing in the section championship contest c. 6 points for playing in a semifinal game d. 3 point for playing in a quarterfinal game e. 1 point for entering the section championships as a champion or at-large team. 3. All teams promoted based on number two will be locked into the higher division. 4. No team will move more than one division from the previous year's divisional assignment to the current year's divisional assignment. 5. Once promoted, points from a lower division will not be considered in a subsequent promotion. 6. Once promoted, teams will leave the promoted division if they have less than 8 points earned in all divisions in the last three years. 7. When a team is required to move to a higher division another team in the higher division is moved down to the next lower division. The criteria to determine which team(s) to move down to the next lower division will be as follows: <ol style="list-style-type: none"> a. The school in the higher division with the lowest point total under number two above will be moved one division lower. b. If there are teams tied with the lowest point total the tie will be broken by the enrollment number of the school. The school with the lowest point total and smallest enrollment would be moved to the next lower division. 8. Petitioning will be allowed to a higher division. The petitioning process will be conducted according to the dates established by the Board of Managers. Petitioning process for the 2016- 2017 school year would be as follows: <ol style="list-style-type: none"> a. March 1-31, 2016 – Fall Petitions are due to the NCS Office no later than March 31, 2016 (<i>Due to the Board of Managers not meeting until April 5, 2016 NCS staff are requesting that petitioning for the fall be conducted in the month of April</i>) b. October 1-31, 2016 – Winter Petitions are due to the NCS Office no later than October 31, 2016 c. January 2 – 31, 2017 – Spring Petitions due to the NCS Office no later than January 31, 2017. 9. When a team petitions to a higher division another team in the higher division is moved down to the next lower division to maintain balance within the division. 		<p><i>Motion to recommend that the NBL representatives to the NCS BOM be vote to approve an Open division in the sport of football for the 2016 – 2017 school year.</i></p> <p><i>Motion: Henri Sarlatte, Rancho Cotate</i> <i>Second: Jeff Hardie, Windsor</i> <i>Motion passed unanimously</i></p>
		DEVELOPMENT OF AN OPEN DIVISION IN THE SPORT OF FOOTBALL
		<p><u>Proposal</u> Starting with the 2016-2017 school year CIF-North Coast Section will implement Open Division competition in the sport of football. The following are the procedures for selection, bracketing, competition dates etc.:</p> <ol style="list-style-type: none"> 1. Open Division competition will be implemented starting with the 2016-2017 school year. 2. Open Division competition will be conducted in football only.

		<p>3. In the sport football, in addition to the approved divisions of competition, a four-team open division bracket will be developed. The bracket will be developed as follows:</p> <ol style="list-style-type: none"> The Open Division will be limited to four teams; The appointed NCS At-Large and Seeding Committee, prior to development of any of other division brackets, selects the top four most competitive teams within CIF-North Coast Section based on the currently established at-large and seeding criteria. The Open Division Bracket will be pure seeded with #1 vs. #4 and #2 vs. #3. Assignment of games will be according to the same established policy used in other brackets and approved by the NCS Board of Managers. Competition will be conducted as follows (<i>Dates of play may be adjusted at a later date if the proposal is approved</i>): <ol style="list-style-type: none"> On the quarterfinal and final round competition dates of a 24 team bracket. On the 2nd round and final round competition dates of any 12 or 16-team bracket. On the semifinal and final round competition dates of any eight team bracket. <p>4. Any team selected to the Open Division bracket shall have the right to displace any originally assigned division champion for purposes of qualifying to the State CIF Championships. The following will also apply:</p> <ol style="list-style-type: none"> If the CIF State or Nor-Cal competition has an open division only teams from the Section Open Division Championship will be eligible to participate. If the CIF State or Nor-Cal competition only allows one open entry, or allows more than one open entry but not all Section open entries have an opportunity to participate in the CIF State or Nor-Cal Open Division the Section Open Division team is allowed to replace the originally assigned division champion for purposes of qualifying to the State CIF Championships. Any original division qualifiers who are allowed to proceed as entries to the CIF State or Nor-Cal Championships qualify in order of finish, or by seed if the team does not advance beyond the semifinals or quarterfinals. If the CIF State or Nor-Cal competition allows for multiple entries then the Open Division teams are ranked and will be allowed to replace the originally assigned division championship, runner-up, semifinalist or quarterfinalist. Any original division qualifiers who are allowed to proceed as entries to the CIF State or Nor-Cal Championships qualify in order of finish, or by seed if the team does not advance beyond the semifinals or quarterfinals.

August 2020

The 2020-2024 Quadrennial Cycle commences.

Basic Procedure for League Alignment

1. The NCS Alignment Committee shall collect information from member leagues and schools through the use of a questionnaire.
2. All Alignment documentation will be posted on the NCS website for full review by member schools and all stakeholders.
3. The NCS Commissioner shall develop proposals for league alignment. Copies of any proposal(s) will be forwarded to all league member schools and league commissioners.
4. A Conference League Alignment Workshop will be scheduled and all involved schools and leagues will receive written notification to attend and make presentations either in support of or in opposition to the Section Commissioner's proposal(s). Each school may submit their own alignment proposals in the proper format as outlined by the Section Office and shall send a school administrative representative and athletic director to the Conference League Alignment Workshop. Presented proposals will allow an opportunity for each school to have input on alignment proposals. Failure to be represented at the Conference Alignment Workshop may hinder any future appeals.

Conduct of the Workshop

- a. Introductions
- b. Roll Call
- c. Review of Commissioner's Proposal
- d. Discussion/Pros/Cons
- e. Presentation of Alternative Proposals
- f. Discussion/Pros/Cons
- g. Straw Voting will be conducted on all proposals with one vote per each school.
- h. All proposals will proceed to the Conference Alignment meeting with the workshop straw voting included.***
5. League Alignment meeting representatives will meet to vote on all proposed conference league alignments. Each attending school principal/principal designee will have one vote with the exception of schools that have not provided a completed School Survey form showing the competitive equity of the school's program in advance of the posting of the Conference League Alignment meeting. Approved conference league alignment will be forwarded to the Alignment Committee.

	A.	Proposal to have additional criteria for Elmer Brown Award of Excellence Sportsmanship																					
		In an attempt to bring good sportsmanship to the forefront of our schools efforts we would like to propose an additional criterion for the Elmer Brown Excellence Award. Currently schools are awarded 5 points for winning a NCS championship 3 points for 2nd place and 1 pt. for third and fourth place in NCS championship events. Schools are also awarded 5 points for placing 1st in our scholastic team awards 3 points for placing 2nd in our scholastic team awards and 1 pt. for third and fourth place in our scholastic team awards. The committee would like to add the following criteria for consideration:																					
		1) Each school that has "0" ejections for all sports is awarded 15 points.																					
		2) Each school that has "1" ejection for all sports is awarded 10 points.																					
		3) Each school that has "2-3" ejections for all sports is awarded 5 points.																					
		4) Each school that has: "4-5" ejections for all sports are penalized (-5) points.																					
		5) Each school that has "5-6" ejections for all sports is penalized (-10) points.																					
		6) Each school that has "7+" ejections for all sports is penalized (-15) points.

	B.	Authority of Commissioner to Support Board of Managers Sportsmanship Policy.																					
		<i>Motion to recommend that the NBL representatives to the NCS BOM vote to support granting the Section Commissioner, or his/her designee, the authority to review sportsmanship actions that are questionable and if necessary, invoke sanctions on the offending school(s).</i>																					
		<i>Motion approved by consent.</i>																					
		Board of Managers Policy Statement																					
		The Board of Managers recognizes that individual school administrators retain primary responsibility for the conduct of all interscholastic athletic activities in which NCS member schools participate. Such responsibility includes the behavior of all participants: players, coaches, representative student groups, and spectators.																					
		The Board of Managers recognizes that each league within the Section, through the several league Boards of Managers, should provide leadership in the matter of upgrading the atmosphere in which all interscholastic athletic contests are conducted. The Board of Managers is appreciative and supportive of such leadership and the programs initiated at the league level.																					
		As the coordinating body for all interscholastic athletic activity conducted within the Section, the Board of Managers establishes the following policy concerning sportsmanship at all athletic events among member schools.																					
		1) Players are expected to conduct themselves in a manner that shall bring credit to themselves, their schools, communities, coaches and families. They shall refrain from all conduct that tends to degrade, bait, intimidate, or otherwise discredit their opponent, officials, or interscholastic athletics.																					
		2) Coaches are expected to maintain decorum consistent with the educational values of interscholastic athletics. By personal example, coaches are expected to demonstrate their awareness of these values by showing restraint and composure in the emotional climate of an athletic contest and to insist that players in their charge conduct themselves in a sportsmanlike manner.																					
		3) Responsible member school personnel are expected to instruct and supervise the conduct of student spirit leaders, rooting sections, bands, other student groups and coaching personnel in order to achieve an atmosphere consistent with good sportsmanship. School administrators are																					

		<p>expected to control or cause to be controlled spectators in such a manner that all athletic contests are conducted in an atmosphere that is consistent with the educational value of interscholastic athletics. (Board of Managers 5/1/00)</p> <p>4) NCS leagues and schools should take necessary actions to insure that conduct, which is not in conformance with the above policy, is reviewed by schools and leagues and appropriate actions taken to insure that the ideals of good sportsmanship are fostered by NCS schools and leagues.</p> <p>5) In the case of NCS/Les Schwab Tires Championship competitions, flagrant instances of unsportsmanlike behavior on the part of players, coaches, and/or fans should be reported by the school principal (s) to the Board of Managers through the Associate Commissioner, together with a description of action taken by member schools. The Associate Commissioner will contact offending schools regarding the school's deportment at NCS events.</p> <p>6) The Sportsmanship Committee is the standing committee responsible for reviewing sportsmanship violations at championship events.</p> <p>Authority of the Commissioner of Athletics Concerning Sportsmanship Issues The Commissioner, or his/her designee, shall, at his/her discretion, determine whether information about alleged violations of the NCS Board of Managers Policy Statement concerning Sportsmanship is sufficiently reliable to justify further investigation, and if a violation is determined to be present shall render remedies and penalties which in the judgment of the Commissioner, or his/her designee, address any unsportsmanlike activity, remedies and penalties that may apply to either student □ athletes, coaches and/or member schools. The Commissioner shall rely on procedures outlined in 1103.C to implement the review, investigation, possible penalties and outlined appeal process. Factors to be considered by the Commissioner, or his/her designee, in making these determinations may include, but are not limited to:</p> <p>a. The seriousness of the alleged violation; b. Review of statements, video and interviews deemed relevant in making any decision.</p> <p>Potential remedies/penalties are:</p> <p>a. Forfeiture by one school or double forfeit of the contest in question. b. Ejection of student □ athletes and coaches who are not identified by officials for disqualification. c. Placement of the program on probation. d. Loss of privilege to host in the NCS Championships. e. Termination of the current season from the point of the infraction. f. Elimination from the NCS Championships for the season of the infraction. g. Disqualification of student □ athletes and coaches for additional contests based on the severity of the infractions.</p>
	XIV. CIF Items	
	A.	Proposed CIF Budget, 2016-2017
		Motion to recommend to the Board of Managers that the NCS delegates to the CIF Federated Council be allowed to evaluate and vote accordingly concerning the CIF Proposed Budget for the 2016-2017 school year. (Attachment M) Motion approved by consent,
	B.	CIF President-Elect Election
		Motion to recommend to the Board of Managers that the NCS delegates to the Federated Council be allowed to determine the best candidates to support for election to the position of President-Elect starting in the 2016-2017 school year. (Attachment N) Motion approved by consent.
	C.	CIF Executive Committee Nominations
		Motion to recommend to the Board of Managers that the NCS representatives to the Federated Council be allowed to determine the best candidates to support for election to the CIF Executive Committee starting in the 2016-2017 school year. (Attachment O) Motion approved by consent.
	D.	Revision of CIF 201, 204 and 207
		Motion to support the revision of CIF 201, 204 and 207, removing some of the 15-day references and replacing the language with "attendance for one day". (Attachment P) Motion approved by consent,
	E.	CIF Bylaw 1901—Football Camps and Restriction of use of equipment
		Motion to recommend that the NBL representatives to the NBL BOM vote to support to limit the use of

		<p>football equipment at football camps during the off-season. Motion approved by consent.</p> <p>Attachment O. Note: attachment O is not the original proposed football language shared with NCS football coaches during December and early January. The new language is more restrictive and does not allow the use of helmets and shoulder pads at the school site during the summer period until July 25, 2016, the official non-mandatory starting date.</p>
		<p>Proposal Originated: Commissioners Committee Summary: The Commissioners Committee is forwarding a proposal for consideration by the Federated Council revising Bylaw 1901 regarding the use of equipment at football "team camps" outside the season of sport. The Commissioners Committee has discussed this issue at past meetings and it is recommending additional language as an outcome of the January 11, 2016 Commissioner meeting. Background: Education Code 35179.1 and 49475 and CIF Bylaw 1901.B prohibited "full contact" football camps outside the season of sport. This past summer there were several violations by school teams of state law and CIF Bylaws. This revision restricts and limits the use of equipment and is to help schools minimize future "full Contact" violations.</p> <p>1901. NUMBER OF FOOTBALL PRACTICE DAYS; NO SUNDAY PRACTICE</p> <p>A. There shall be no football games until the team has had 14 days of practice before the first game. Each individual student on the team must have had at least 10 days of practice before being allowed to compete in a game. (The opening date of football practice may be determined by each Section.) No Sunday practice is permitted (See Bylaw 504.M. for exception).</p> <p>B. Football teams are limited to two days per week of full contact practice, with no more than 90 minutes of full contact on each of those days during the season of sport. For purposes of this Bylaw, each team's season of sport is defined as the first day of practice, as allowed by the Section, until the final contest for the team. All full contact practices are prohibited in the off-season which includes team camps. Full contact practice is defined by state statute as a practice where drills or live action is conducted that involves collisions at game speed where players execute tackles and other activity that is typical of an actual tackle football game. For the purposes of this Bylaw, refer to the definition of "Live Action" as defined by USA Football.</p> <p>C. <u>Team camps are allowable with the following equipment only: footballs, bags, blocking sleds and football shoes.</u></p> <p>NOTE: For policies related to definition of full-contact and allowable in-season, off-season and team camp activities, please consult the football section in the blue pages and local Section Bylaws.</p>
		<p>F. CIF Bylaw 3103 Revision</p> <p><i>Motion to recommend that the NBL representatives to the NCS BOM vote to support the movement of the wrestling weight management language under CIF 3103 to the CIF blue pages. Motion approved by consent.</i></p> <p>Proposal Originated: Commissioners Committee Summary: The Commissioners Committee is forwarding a proposal for consideration by the Federated Council revising Bylaw 3103. The revision of the Bylaw does NOT remove the current requirements and mandates of the nationally recognized National Wrestling Coaches Association Weight Management program. It only moves the current standards, process(es), appeals and penalties to the "Blue Policy" pages to coincide with all other CIF sports. This change will allow NWCA national modifications to the Wrestling Weight Management Program to be completed without going through a CIF Bylaw Change/Modification process that can take up to 12 – 18 months to complete. The MANDATE for the program remains in place, the specific NWCA weight management specifications, process, and appeals moves to the policy pages. Background: In 2006 the CIF Federated Council adopted and mandated the use of the National Wrestling Coaches Association Weight Management Program. The weight loss programs, in its entirety, were included at that time in the CIF Bylaw. The purpose, today as in 2006, of the NWCA program is to minimize risks to participating students by mandating and monitoring the weight loss of students during the season.</p>
		<p>G. Revision of Nor-Cal and So-Cal References in the CIF Constitution</p> <p><i>Motion to recommend that the NBL representatives to the NBL Board of Managers vote to support the removal of references to Nor-Cal and So-Cal under CIF Bylaws 2401, 2700, 2701, 2903, and 2904. Removal of references will allow CIF At-Large & Seeding Committees more flexibility in match-ups that reduce the potential travel of participating teams. Motion approved by consent.</i></p> <p>Summary: As discussed and forwarded from the Federated Council round table discussion held on January 30, 2016, these revisions will allow greater flexibility in placement of section entries into the "regional"</p>

		<p>championships in Soccer, Tennis and Boys Volleyball. There are no other sport specific Bylaws where placement of schools into regional championships is dictated by their section affiliation. This flexibility could significantly reduce travel for teams participating in these regionals.</p> <p>Fiscal Impact: None</p> <p>Background: Since the inception of a CIF state-wide playoff system, the state has been divided into two regions, North and South. The original four sections, Bay (later call the North Coast) and Northern were placed in the "north" region and the Central and Southern were placed in the "South" region. This north/south model configuration originally began in 1914.</p> <p>Beginning in 1935, with the population surge and "control of governance" issues, the four sections began a forty year process of splitting and creating new CIF sections. The geographical North/South regional placement has remained relatively intake despite significant advancements in travel and the population spread out across the state.</p>
	H.	CIF Calendar for the 2017 – 2018 school year
		<i>Motion to recommend that the NBL representatives to the NBL Board of Managers vote to support the adoption of the CIF Calendar for the 2017-2018 school year. (Attachment T)</i>
		<p>Note: A copy of the proposed calendar will be distributed at the meeting.</p> <p><i>Motion: Jerry Deakins, Maria Carrillo</i></p> <p><i>Second: Jerry Bonfigi</i></p> <p><i>Approved 7 – 1 (Henri Sarlatte, Rancho Cotate)</i></p>
	I.	Nor-Cal Soccer Championship Proposal (Attachment U)
		<p>Summary: The Commissioners Committee is recommending that the CIF implement a northern California Soccer Championships for Boys and Girls beginning 2017-2018. This regional tournament would mirror the current Regional Soccer Championships implemented in 2008 in southern California.</p> <p>Fiscal Impact: Based upon the previous experience in southern California, a regional tournament would start with a minor net gain for the organization and grow as the tournament gains popularity.</p> <p>Background: The CIF Federated Council approved a southern California Regional Soccer Tournament in February of 2007. The regional tournament has grown in size and participation over the past few years.</p> <p>At the time of the original Soccer Regional approval, the majority of northern California CIF Sections did not offer soccer during the winter season of sport. That is not the case today. The majority of schools in northern California now compete in soccer during the winter season of sport making a post season regional championship viable. This proposal still allows the flexibility for sections. The North Coast and North Sections can continue to offer multiple seasons of sports for soccer within their sections to accommodate their schools location (snowline) and allows the sections/schools that are aligned to compete in a regional format.</p> <p>Note: copies of the proposal will be presented at the meeting</p>
	J.	Proposed Regional Water Polo Championships (Attachment V)
		<p>Summary: The CIF Central Section is proposing the implementation of a CIF Regional Water Polo Championship to begin in the fall/winter of 2017-2018. This proposal follows the approved State Championships Master Schedule timelines for implementation of new events.</p> <p>The event would allow the most competitive water polo teams in the state an opportunity to compete at the Regional level. This championship event is proposed as a one week tournament held immediately after the section finals.</p> <p>Fiscal Impact: The Regional Championship is projected as a \$6,900 loss <u>without</u> any corporate sponsorship. It is anticipated that with corporate support and ancillary event income the regional tournament could become revenue neutral to the organization.</p> <p>Background: State CIF does not currently have a regional championship in water polo.</p>
